

TEACHERS AGAINST GANGS

TAG - *The learning center for teachers, parents, and concerned citizens*

<http://teachersagainstgangs.com/>

TAG MEMBERSHIP is open to all parents, teachers, school resource and other officers, youth counselors and concerned citizens who have questions or who have something to offer in the way of helping others to cope with the gang problem. We hope that this web site will become a center for sharing your experiences in dealing with the problem of gangs in your home, school, and/or community.

CHAT ROOM - Chatting one on one in real time is a great way to develop contacts and make friends. To enter the chat room, locate the grey bar at the bottom of your screen. click **Teachers Against Gangs** and you are in. Set up a time to meet your friends and enjoy the room.

GROUPS - You can make a request to join a group or you may create your own group.

PARTICIPATION - Teachers Against Gangs is a member participation web site. We rely heavily on the members to share gang related information with the rest of us. The more active participation we have, the more we all can benefit. Part of that participation is for our members to post photos or videos to the appropriate categories. Suggestions are always welcome.
